

Judy Garland, Zing! Went The Strings Of My Heart

Dear when u smiled at me
I heard a melody
It haunted me from the start
Something inside of me
Started a symphony
Zing! Went the strings of my heart
Twas like a breath of spring
I heard a robin sing
About a nest
Set apart
All nature seemed to be
In perfect harmony
Zing! went the strings of my heart
Yours eyes made sky seem blue again
What else could I do again
But keep repeating
Through and through I love you (love you)
I still recall a thrill
I guess I always will
I hoped we'd never depart
Dear with your lips to mine
A rhapsody divine
Zing! went the strings of my heart
Yours eyes made skies seem blue again
What else could I do again
But keep repeating
Through and through I love you (love you)
I still recall the thrill
I guess I always will
I hoped we'd never depart
Dear with your lips to mine
A rapsody divine
Zing! went the strings of my heart
Zing! went the strings of my
Zing! went the strings of my Heart
