

Judy Torres, Love You, Will You Love Me

You, you are the one i've been thinkin of
you are the only one in my life
And I, I wanna show you happiness
so baby hold my hand and say you're mine
and now, now is the to take advantage
cuz our feelings are the same as each day passes by
oh please, please can you try to understand
that what we want is more than friends so
let's not put this to the side.....

(Chorus)

Love you, will you love me?
cuz i'll love you all the time
I need you, will you need me?
please just show me that you're mine
i want you to be with me
if your love for me is true
oh baby can't you see i'd like to give this love to you

I, I'd like to please all your needs
as long as you enjoy it all the time
so please, don't ever tell me that you'd leave me
i'll always consider you "Forever Mine"
This is why, the reason i said "I Love You"
and i will always be by your side until the day that i die
and now, even more than ever sure
i will never doubt my heart cuz you're the one that i adore

(Repeat Chorus)

and now, now is the to take advantage
cuz our feelings are the same as each day passes by
oh please, please can you try to understand
that what we want is more than friends so
let's not put this to the side.....

(Repeat Chorus Until End)

oh no no no no no no.....
i've got to have you....
i want to give this world to you....
