

Judybats, Margot Known As Missy

Margot known as Missy
Where di she where did she
How could she to that
Terrible city that city
Margot known as Missy
To cooking school to cooking school
She's a private chef on
Eleventh Avenue
Is she cool

CHORUS

Margot known as Missy
Margot known as Missy
Margot known as Missy
Where did she
How could she
Margot known as Missy
I'd never been in love with a girl
With a woman on her mind
I'm not her kind I guess I'm blind
Margot known as Missy
Area code 11215
The letters that I write you
Might be all that keeps me alive

CHORUS

Funky break! Hey, baby
Bake me a cake
To culinary school to culinary school
Margot known as Missy
Where did she where did she
Just like Hannah's sister
And her friend I'm so sure
Hey Margot known as Missy
Is your heart girl is it still pure
CHORUS
