

# Juelz Santana, Dipset Inferno

(Hook)

lil busta, front and i'll shoot ya  
run up, put the gun up to ya  
act like you don't know that i shoot ya  
i bang - bang, bang that ass (nigga)

(Juelz Santana - Verse #1)

go, go, 'tana in da house  
front yo, uh-oh, them hammers coming out  
yo we ain't come here to hurt nobody  
but act up we'll hurt somebody, squirt somebody (oh!)  
dipset inferno - clips go, bang! get wet and burn slow  
i love the street so much, i love this beat so much  
i had to get on it and heat shit up (dre)  
what would it take for on of these  
beats to get made and placed up under me?  
so real, so true, so live  
cold steal, don't move, fo' five  
you gotta keep one up on ya  
you never know when a nigga try run up on ya (ah ah)  
try and dump up on ya, get one up on ya  
and you ain't got yo gun up on ya  
who's slipping? not me, no way  
you tripping, i squeeze, you lay  
by the side of the curb with a shot in your nerve  
you bitchin', you screamin': no way (ay!)

(Hook 2x)
