[Verse 1:]

This Ain't Where I'm Supposed To Be
I Ain't Where I'm Supposed To Be
Things Is Just Movin Slow For Me
But This My Year, I Swear
For Sho, I'm that Nigga
You Know I'm that Nigga

It's Like Everytime The Wind Blow
I Get Goosebumps
I'm the Future

That's Where I Come From
Dirty Apartment Buildings
Kids Wit More Heart Than Feelings
So They Resolve To Killin
That's Why My Music Is
Just A Product Of My Environment
And Everything I Grew Up In
I Used To Think, What Is All Of this A Waste
But Now I See, It's All Fallin Into Place
I'm on 3rd And I'm Inchin From the Corner Of the Base
I Can't Wait To Get Home
I'm Bout To Steal This Whole Shit
My Album's Incredible
I Swear, I'm Bout To Kill This Whole Shit
You Niggas Know Me
Same Dude I 've Been
Ain't Shit Changed
You Niggas Know Me
It's Just My Plot Is A Little More Perfected
And The Dots A Little More Connected
I Sat Back And Watched The Game From A Distance
See, Now I See What The Game's Been Missing..Me
The Break Is Over, The Wait Is Over
I'm Back, Everything That's Been Taken Is Being Taken Over
Plus I Promised Cam, I'ma Make Him A Million
Well, Guess What
We Headed To The Promised Land (Oh Yeah)
They Can't Break What's Unbreakable (My Loyalty)
They Can't Take What's Untakeable
I Ain't Just Wit U Till The End Of A Session
The End Of A Show
I'm Wit U Till The End Of The Road
Till Death Do Us
Part That Is, U Gotta Piece Of My Heart My Nig
