

Juelz Santana, Kid Is Back

Hey ja, I think juelz is back in town

[CHORUS]

Juelz back and he's better than ever
This is crack and it's better than ever
Get, get back 'cause whatever's whatever
Hey ya'll, hey ya'll the kid is back

[VERSE 1]

I'm back and I'm back and I'm back and I'm back in affect
I'm back and I'm back and I'm back as a matter of fact
I'm jabbin', I'm jabbin', I'm jabbin', I'm jabbin' 'em back
What's happened has happened and I'm what's happenin' back
I'm packin' a mack in the back of the cadillac
I'm badder than that than half of the bastards who rap
I'm battin' at that with a baseball hat and a bat
Hey ya'll, hey ya'll the kid is back
I'm fuckin this track I been fuckin this track up, I'm doin'
I come with the mack, if you bust that shit back up, I'm shootin'
He front and he act up, there's nothin' to back up his shootin'
Hey ya'll, hey ya'll the kid is back
I bubble the crack 'cause I cut it to packs and I move it
It's nothin' to that, but it's somethin' to that 'cause I do it
They runnin' you back, I'm runnin' it back, I'm movin'
Hey ya'll, hey ya'll the kid is back

[Chorus x2]

[VERSE 2]

Yo, I'm doper than doper, than doper, than doper, than doper
I'm closer to dope than actual dope is to dope
I roll in the smoke let 'em know it's potent I smoke
Take coke to the boat, the boat to the ocean and float
I know what I know about hoes that I know that you don't
I know I control 'em I poke 'em and open 'em slow
I know that I'm flowin', so why stop flowin', keep goin'
Hey ya'll, hey ya'll the kid is back
I know that I'm killin', and killin' is just what I do
I know them gorillas we all used to chill in the zoo
I know how to get her, kill him and get up to you
Hey ya'll, hey ya'll the kid is back
I know that I'm iller, the illest, and iller than you
Hold up my nigga, there's nothin' you niggas can do
My four-fifth is bigger I spit it and it enters in you
Hey ya'll, hey ya'll the kid is back

[CHORUS (2x)]
