

Jughead's Revenge, Faust

Nothin' that you say
Could ever make me change
Nothin' that you say
Will bend me to behave
'cause I have this thing
That you'll never know
It's diamond hard and keeps me from the thing that makes me go

Consistently burned
When will the tables turn
It's in a strategy (Faust! Faust! Faust! Faust!)

Believin' in yourself
The only thing you have
Nothin' that you say
Will make me give it back
