

# Jughead's Revenge, Faust

Nothin' that you say  
Could ever make me change  
Nothin' that you say  
Will bend me to behave  
'cause I have this thing  
That you'll never know  
It's diamond hard and keeps me from the thing that makes me go

Consistently burned  
When will the tables turn  
It's in a strategy (Faust! Faust! Faust! Faust!)

Believin' in yourself  
The only thing you have  
Nothin' that you say  
Will make me give it back
