

Jughead's Revenge, When The Party's Over

Went to a party last night
It was cool
Even got in a fight
Can't believe the fun that I had
I had to steal ten bucks from my dad
What more in life can be asked
Than to kick it with your friends
With a beer in your hand
I'm real fucked up and it's almost two
Now the party's over
And there's nothing to do
When the party's over
The night has just begun
That's when everyone comes
To my house to start the real fun
My roommates they don't see
That the train has just begun
My roommates just don't see
That they're sucker number one
