

# Jugular, The Nightmare

You can't escape from me  
Living deep in insanity  
control last breath  
I ain't dreaming of  
Hellfire death

Sleep, fear  
Pain is much too real  
Time, wait  
Fear is much too take

Off to sleep, cannot breathe  
Distant stare, the nightmare  
Off to sleep, cannot breathe  
Distant stare, the nightmare  
Off to sleep, cannot breathe  
Distant stare, the nightmare  
Off to sleep, cannot breathe  
Distant stare

Watch you cower  
In your open room  
To move an inch  
Could mean your own doom  
control last breath  
I ain't dreaming of  
Hellfire death

Sleep, fear  
Pain is much too real  
Time, wait  
Fear is much too take

Off to sleep, cannot breathe  
Distant stare, the nightmare  
Off to sleep, cannot breathe  
Distant stare, the nightmare  
Off to sleep, cannot breathe  
Distant stare, the nightmare  
Off to sleep, cannot breathe  
Distant stare
