

Juice WRLD & Justin Bieber, Wandered To LA

I wandered to L.A., wandered to L.A.
True story

I wandered to L.A. hoping to explore
Little did I know, I'd find a little more
Love at my hotel room door
From the bed to the hotel room floor
I wandered to L.A. hoping to explore
Little did I know, I'd find a little more
Love at my hotel room door
From the bed to the hotel room floor

[Juice WRLD]
(..)

I wandered to L.A. hoping to explore
Little did I know, I'd find a little more
Love at my hotel room door
From the bed to the hotel room floor

[Justin Bieber]
(..)

I'm the elephant in the room
My nightmares are starting to come true

I wandered to L.A. hoping to explore
Little did I know, I'd find a little more
Love at my hotel room door
From the bed to the hotel room floor
I wandered to L.A. hoping to explore
Little did I know, I'd find a little more
Love at my hotel room door
From the bed to the hotel room floor
