

Juice WRLD & The Weeknd, Smile

I'd do anything in my power to see you just smile
I want you to Prosper and come proper
Even if that means i ain't by your side
I'd do anything in my power to see you just smile
I want you to Prosper and come proper
Even if that means i ain't by your side

Devil on my shoulder tellin me i'll die soon
I don;t really want that to impact you
But i don't know
Maybe i am jus paranoid
I just want the best for you
I just want what's left of you

You tell me that you're sad inside
I am sad that i can't saisy
I pray that i get it right this time
Maybe we'll be alright
You tell me that you're sad inside
I am sad that i can't saisy
I pray that i get it right this time
Maybe we'll be alright

I'd do anything in my power to see you just smile
I want you to Prosper and come proper
Even if that means i ain't by your side
I'd do anything in my power to see you just smile
I want you to Prosper and come proper
Even if that means i ain't by your side
