toii yoru no kioku ga mata watashi wo yonnde  
hirou sheets no umi ni tadayou kimi wa mou inainoni  
something i thought we had between us was so real  
but all you did was choose me to woo me  
screw me to rule me  
confuse  
me, refuse me, abuse me, you ruin me  
something i thought  
we've shared all these years was so rare  
but it was just a...a..dream  
murasaki ni machi ga sumari  
omoi dasu kimi no nagori

something i thought we had between us was so real  
but all you did was choose me to woo me  
screw me to rule me

something i thought  
we've shared all these years was so rare  
but it was just a...a..dream
