

Juke Kartel, December

Money, love I never wanna give you up You're like a million dollar rush Running my brain Waste aw
Elevating higher , than Ive ever been before Tripping on a wire, catch you when you fall
The temptress, resting on my inner strength Put my loving to the test Drives me insane shes never a

Shes got me even higher Than Ive ever been before Tripping on a wire, can u catch me when I fall
And now a crossfire is burning outta my soul And this desire is spinning outta control Im going down
Elevating higher, than Ive ever been before Tripping on a wire, can u catch me when I fall Shes got
