

Juke Kartel, Say Good Morning

Well I, needed no reply A ticket for a ride, the trains not coming Dawn, filters through my eyes Its w
Chorus: Say good morning, leave the past with night
(just know Im bringing it back to you)
Hear the warning, fade the black to white
(just know Im bringing it back to you)
Yes I, couldnt see the signs No signals for the blind

Can we skip today Everybody knows that tomorrows sun will break, escaping from the mess that is
Chorus
Time will go on, without warning It will go on
Im bringing it back to you Bringing it back to you!!
