

Julee Cruise, Falling In Love

I believe in love ...
Does it believe in me ...

Ooooooh ooh ohh ..

Falling in love for me is a form of insanity (x3)
Falling, falling, falling, falling ...

I love you, love you, love you ...

I believe in love ...

Ooooooh ooh ohh ..

I love you, love you, love you ...

Falling in love for me is a form of insanity (x3)
Falling, falling, falling, falling ...

I think love is a beautiful thing
Is this love, Is this love, Is this love ...

It wasn't meant to be, It wasn't meant to be ...

I love you, love you, love you ...

*** (Laughter) ***

Falling in love for me is a form of insanity (x3)
Falling, falling, falling, falling ...
Falling in love for me is a form of insanity (x3)
Falling, falling, falling, falling ...

Falling, falling, falling, falling ...

Falling in love for me is a form of insanity (x3)
Falling, falling, falling, falling ...
Falling in love for me is a form of insanity (x3)
Falling, falling, falling, falling ...

Falling, falling, falling, falling ...

I love you, love you, love you ...
