

Julee Cruise, Three Jack Swing

Hey, hey hey
What's that you say
So, hey, hey hey
Perhaps you like the way I'm singin' today

Well, hey, hey hey
What's that you say
Well, hey, hey hey
Perhaps you could sit back, relax and listen today

Hey, hey hey
What's that you say
So, hey, hey hey
Perhaps you like the way I'm singin' today

Well, hey, hey hey
What's that you say
Well, hey, hey hey
Perhaps you could sit back, relax and listen today

Hey, hey hey
What's that you say
So, hey, hey hey
Perhaps you like the way I'm singin' today

Well, hey, hey hey
What's that you say
Well, hey, hey hey
Perhaps you could sit back, relax and listen today
