

Julia Błaszczuk, Stuck With U

I'm not one to stick around
one strike and you're out baby
don't care if I sound crazy
but you never let me down
no, no
that's why when the sun's up I'm stayin'
still laying in your bed sayin'

oh /4x
got all this time on my hands
might as well cancel our plans
I could stay here for a lifetime
so lock the door and throw out the key
can't fight this no more
it's just you and me
and there's nothin' I, nothing I
I can do
I am stuck with you
stuck with you, stuck with you

so go ahead and drive me insane
baby, run your mouth I still wouldn't change
being stuck with you
stuck with you
stuck with you
I'm stuck with you
stuck with you
stuck with you, baby

there's nowhere we need to be
no /3x
ima get to know you better
kinda hope we're here forever
there's nobody on the streets
and if you told me that the world's endin
ain't no other way
that I can spend it

oh /4x
got all this time in my hands
might as well cancel our plans
I could stay here forever
so lock the door and throw out the key
can't fight this no more
it's just you and me
and there's nothin' I, nothing I
I can do
I am stuck with you
stuck with you
stuck with you

so go ahead and drive me insane
baby, run your mouth I still wouldn't trade
being stuck with you
stuck with you
stuck with you
I'm stuck with you
stuck with you
stuck with you

whoa
baby come take all my time
go on make me lose my mind
we got all that we need here tonight

lock the door and throw out the key
can't fight this no more
it's just you and me
and there's nothin' I, nothing I'd rather do
I'm stuck with you
stuck with you
stuck with you
