

Julia Fordham, Connecting

(Julia Fordham)

An invisible umbilical cord
Ties me to you
Like a magical infallible cable

Stretching over mountains
Across the sea
Every star lights the path to you from me
Under deserts
Through the barren plains
Connecting you to me again

An emotional devotional bond
Binds me to you
An electrical undetectable current

Charging over mountains
Across the sea
Every star lights the path to you from me
Under deserts
Through the barren planes
Connecting you to me again

No matter where you are
No matter no matter how far

Over mountains
Across the sea
Every star lights the path to you from me
Under deserts
Through the barren planes
Connecting you to me again
Connecting
Connecting
You to me again
An invisible umbilical cord
