

Julia Fordham, Did I Happen To Mention?

Did I happen to mention that I love you?
Did I happen to mention it's you who sees me through?
Did I happen to mention I'm waiting for your move?

I've been meaning to tell you that I'm sorry
I've been meaning to tell you I can't wait forever for you
Are you meaning to tell me that you still love me too?

I need, I need another good friend
Like I need, like I need a hole in my head.
And I want, I want, I want your loving in my heart
And I want, and I want, I want your loving in my bed...

Oh did I happen, did I happen, did I happen to mention?

She happened to mention that she saw you
She happened to mention you'd said that we were through
Wish you could've mentioned, so I'd have known that too...

I need, I need another good friend
Like I need, like I need a hole in my head.
And I want, I want, I want your loving in my heart
And I want, and I want, I want your loving in my bed...

Oh did I happen, did I happen, did I happen to mention?

I need, I need another good friend
Like I need, like I need a hole in my head.
And I want, I want, I want your loving in my heart
And I want, and I want, I want your loving in my bed...

Oh did I happen, did I happen, did I happen to mention?
Did I happen, did I happen, did I happen to mention?
