

Julia Fordham, Unconditional Love

I'm sending out I'm sending out
I'm sending out I'm sending out

And when you've got something that's crystal clear
And good enough for the whole world to hear
Sweeter than honey and beneath the blood
That's why I'm sending out my unconditional love

I'm sending out unconditional love
I'm sending out unconditional love
I'm sending out I'm sending out

And when you know something that you hold dear
To soothe away all your doubts and your fears
From every angle within and above
Here's why I'm sending out my unconditional love

I'm sending out unconditional love
I'm sending out unconditional love
I'm sending out I'm sending out

When promises are never broken I'll know
When every last word has been spoken I'll know
When every last deed isn't token I'll know
That everyone is sending out unconditional love

I'm sending out unconditional love
I'm sending out unconditional love
I'm sending out unconditional love
That's why I'm sending out unconditional love
Here's why I'm sending out unconditional love
I'm sending out unconditional love
I'm sending out unconditional love
I'm sending out my love
C'mon C'mon C'mon C'mon C'mon C'mon C'mon
You've got to send me some love back
Give me your love

Everyone send some love everyone send some love
Just a little bit, a little bit, a little bit of your love
If everyone, everyone, everyone could send some love
Your healing love, your divine love, your unconditional love
