

Julia Nunes, Pen To Paper

Difference of opinions keep us apart
But that won't take you out of my heart
I think that you're funny and I think that you're smart
and I think it's even cuter when you say that you aren't

I saw you across the room
We never really spoke but still I knew that
You and me were meant to be
Close, if not romantically

And I've tried hard
to prove that I am strong
and you know and I know
that I've been wrong

and we talked for a while with our opposite styles
and I thought it might work if only for a while
Together we make such a comfortable sound
You open your mouth and I love it somehow

See, I can talk forever
except when it counts

We don't write notes any more
but that's all right I've gone through this before
It's been three weeks since we have spoken
and look at me, my heart's not broken

And I've tried hard
to prove that I am strong
and you know and I know
that I've been wrong

And it's not fair
to blame this all on you
'cause we all got reasons
for doing the things we do

But I gotta tell you
I'm not amused

Well I'm not sorry for the times
I left you in the dirt behind me
You'd do the same thing
if you were me

Well I'm not sorry for the times
I left you in the dirt behind me
You'd do the same thing
if you were me

I'm tempted to run through the halls
Screaming thanks for nothing
I'm tempted to run through the halls
Screaming thanks for nothing
