

Julia Sibiela, Unreal (ft. Atom String Quartet & M

I had a dream it felt so real
Under water but i still could breathe
In a place where i could not break free
Like it's been always in my head
Always in my ...

Since that day i hardly got no sleep
Real life is pulling me down too deep
A dream like that is something bad to keep
It will be always in my head
Always in my...

All my life
I've been waiting for you by open door
But since now
Now i know i can't keep waiting no more
