

Julian Lennon, Time Will Teach Us All

Hans poulsen and john christie
From dave clark's 1986 musical "time"

Tragedy feels like a melody
We've got to listen to
From time to time

History feels like a part of me
Is every century
A spiral we all climb?

I guess time will teach us all
Time will teach us all
Time will teach us all
Time will teach us all

Time will teach us all
Time will teach us all
Time will teach us all
Time will teach us all

Is there something here to find

Something invisible--underlined?
And could it possible be
That everything might some day
Come clear for me?

I guess time will teach us all
Time will teach us all
Time will teach us all
Time will teach us all

I guess time will teach us all
Time will teach us all
Time will teach us all
Time will teach us all

You don't need me to tell you
What's gone wrong
You know what's going on

I guess time will teach us all
Time will teach us all
Time will teach us all
Time will teach us all
