

Julie Brown, Brand New Girl

Hey, come on, everybody
We're doing a makeover
(Oh yeah, I think I'd like that)

A perm
A butch
A facial
(Facial)
A body wrap
(Body wrap)
Gravel scrub
(Gravel scrub)
Bikini wax
(What)
A fall
We'll do it all
(Alright)

It's time to face the music
It's time to make you see
The root of all your problems
Is that you don't look like me
Now this is gonna hurt you
But I just gotta say
Your nightlife's going nowhere
'Cause you look like Doris Day

Who's the one they can't resist
The brand new girl
Who's on their most wanted list
The brand new girl
Honey, if you vixenize
Guarantee he'll get a rise
Believe me, you can be a

You're cute and fresh and wholesome
But science has a cure
The natural look is nowhere
Your hairdresser knows for sure
You gotta learn the art of teasing
Change your repertoire
All you need's a little faith
And a see-through, push-up bra

Who's the one they can't resist
The brand new girl
Who who's who's on their most wanted list

Honey, if you vixenize
Guarantee he'll get a rise
