

# Julie Brown, Callin' Your Heart

She left you lonely  
You say she's the only girl who  
Could make you smile  
I know I can change your mind  
Hey, come on, the sun is shining  
Kiss your tears goodbye  
Gonna heal your heart, boy  
If you let me try

If you hide, I will seek you  
Never let you get away

'Cause I'm callin' your heart  
Callin' your heart out to play  
You know I'm  
Callin' your heart  
Callin' your heart out to play

She was a fool  
To walk away from a boy like you  
I guess she couldn't see  
What it is I see  
The bad times are over now  
(Yeah, hey)  
I'm the girl who understands  
Give you more than promises  
If you take my hand

If you hide, I will seek you  
Never let you get away

Callin' your heart  
Callin' your heart out to play  
You know I'm  
Callin' your heart  
Callin' your heart out to play  
You know you want to play with me  
Callin' your heart  
Callin' your heart out to play  
You know I'm  
Callin' your heart  
Callin' your heart out to play

I look in your eyes  
And I see the emptiness  
I'll make you laugh  
I'll give you a little tenderness

Callin' your heart  
Callin' your heart out to play  
You know I'm  
Callin' your heart  
Callin' your heart out to play  
You know you want to play with me  
Callin' your heart  
Callin' your heart out to play  
You know I'm  
Callin' your heart  
Callin' your heart out to play  
You know you want to play with me

Callin' your heart  
Callin' your heart out to play  
You know I'm

Callin' your heart  
Callin' your heart out to play  
Come on, it's coming down with me  
Callin' your heart  
Callin' your heart out to play  
You know I'm  
Callin' your heart  
Callin' your heart out to play.
