

Julie Brown, Girl Fight Tonight

Girl fight tonight
Girl fight tonight

Look, there she is
I'm going to kick her blonde butt
Hey girl, I want to talk to you

I've seen the way that you check him out
When you think I'm not around
(Oh, sha-doo-bee)
Mentally undressing him
(Sha-doo-bee)
Trying to shut me down

Well, you know last night he told me
All those nasty things that you said
You asked him if he gets lonely
Now you're asking to be dead

Girl fight tonight
(Shoo-be-do-bop and a shoo-bop-a run away)
Revenge is gonna be so sweet
Girl fight tonight
(Shoo-be-do-bop and a shoo-bop-a run away)
Your lips are gonna kiss the street
You only want him 'cause I want him
Back off, girl, or else
Girl fight tonight

I hate the way that your sweater fits
(Tight)
I hate your baby talk
(Oh, sha-doo-bee)
I can read your dirty mind
(Sha-doo-bee)
I watched you watch him walk

When you told him he looked like Rob Lowe
Well, that was the last straw
So now I have to tell him
That you wear a padded bra

Girl fight tonight
(Shoo-be-do-bop and a shoo-bop-a run away)
Oooh, we're gonna have some fun
Girl fight tonight
(Shoo-be-do-bop and a shoo-bop-a run away)
Blood and mascara will run
We'll see how long your tan lines last
When you're in a body cast
Girl fight tonight

Get her
(Don't let her get away)
Yeah

All in love is fair
(She'll rip out your hair)
Now I'm declaring war
(You know she's killed before)
'Cause I'm a lover and a fighterbitch

(Shoo-be-do-bop and a shoo-bop-a run away)
Revenge is gonna taste so sweet

Girl fight tonight
(Shoo-be-do-bop and a shoo-bop-a run away)
Your lips are gonna kiss the street
You only want him 'cause I want him
Back off, girl, or else
Girl fight tonight

(Shoo-be-do-bop and a shoo-bop-a run away)
That's right you slut, I'm gonna get you
(Shoo-be-do-bop and a shoo-bop-a run away)
I'm gonna rip out your hairs one by one
(Shoo-be-do-bop and a shoo-bop-a run away)
I am
(Stop it, let go of me)
(Shoo-be-do-bop and a shoo-bop-a run away)
(You ripped my blouse
Stop it)
(Shoo-be-do-bop and a shoo-bop-a run away)
(You're choking me
Stop it)
(Shoo-be-do-bop and a shoo-bop-a run away)
Get out of here
Get out of here, that's right
(Stop it)
(Shoo-be-do-bop and a shoo-bop-a run away)
(Oh, my god)
(Shoo-be-do-bop and a shoo-bop-a run away)
(She deserved it)
(Shoo-be-do-bop and a shoo-bop-a run away)
Shoo-be-do-bop and a shoo-bop-a run away
(Girl fight tonight)
(Shoo-be-do-bop and a shoo-bop-a run away)
Shoo-be-do-bop and a shoo-bop-a run away
Shoo-be-do-bop and a shoo-bop-a run away
Shoo-be-do-bop and a shoo-bop-a run away
Shoo-be-do-bop and a shoo-bop-a run away).
