

Julie Brown, I Like 'Em Big And Stupid

When I need something to help me unwind
I find a six-foot baby with a one track mind
Smart guys are nowhere, they make demands
Give me a moron with talented hands
I go bar-hopping and they say "last call";
I start shopping for a Neanderthal

The bigger they come
The harder I fall
In love, 'til we're done
Then they're out in the hall

I like 'em big and stupid
I like 'em big and real dumb
I like 'em big and stupid

What kind of guy does a lot for me
Superman with a lobotomy
My father's outta Harvard
My brother's outta Yale
Well, the guy I took home last night
Just got outta jail
The way he grabbed and threw me
Oooh, it really got me hot
But the way he growled and bit me
I hope he'd had his shots

The bigger they are
The harder they'll work
I got a soft spot
For a good-looking jerk

I like 'em big and stupid
I like 'em big and real dumb
I like 'em big and stupid

I met a guy who drives a truck
(Peterbilt)
He can't tell time but he sure can drive
I asked his name and he had to think
Could I have found the missing link
He's so stupid you know what he said
Well, I forgot what he said
'Cause it was so stupid

The bigger they come
The harder I fall
In love, 'til we're done
Then they're out in the hall

I like 'em big and stupid
I like 'em big and real dumb
I like 'em big and.
