

Julie Doiron, The Best For Me

the best thing for me to do is run faster than you
the best thing for me to do is run faster than you
if I do
I will make it
and when I do
I may grow up a little bit

songs I love
songs for me
wouldn't it be nice
songs for me
songs for me
wouldn't somebody write a song for me

after tomorrow I could be a different woman
could you bring me one more drink
after tonight
wouldn't it be nice

songs I love
songs for me
wouldn't somebody write a song for me
songs for me
songs for me
wouldn't it be nice
