

Julie Doiron, The Sweetest Eyes

You've got the sweetest eyes
You've got the sweetest eyes
You've got the sweetest eyes
Of my life

You've got the eyes like diamonds
You've got eyes that sparkle
You've got the strongest hold on my life

And when you lie, I'm over the moon
But when you cry, I cry too
And when you laugh, I'm over the moon
And when you cry, I cry too

You've got the sweetest eyes
You've got eyes like diamonds
You've got the strongest hold on my life
