

Julie Gold, Heaven

I think I'll go to Heaven
There I will lay me down
Leave all the pain behind me
Bury it in the ground
Let people talk about me
I pray it won't be lies
I think I'll go to Heaven
Heaven is in your eyes

I want to go to Heaven
I hear it's peaceful there
They don't allow you troubles
Everyone's had their share
Heaven's a place where I won't
Need to be in disguise
I want to go to Heaven
Heaven is in your eyes

People in Heaven
Never look back
Going higher and higher
the past fades to black

I think I'll go to Heaven
Sail on into the night
Watching your face till morning
Setting my soul to right
Maybe I am too simple
Maybe I am too wise
Maybe I'll go to Heaven
Heaven is in your eyes
