Julie London, Fly Me To The Moon

Fly me to the moon and let me play among the stars let me see what spring is like on Jupiter and Mars

in other words hold my hand in other words darling, kiss me

Fill my heart with song and let me sing forever more you are all I long for all I worship and adore

in other words please be true in other words I love you

(musical interlude)

Fill my heart with song and let me sing forever more you are all I long for all I worship and adore

in other words please be true in other words I love you
