

Julie Ruin, Breakout A-Town

sometimes every day i don't want to talk to you
everything's a mess and my mind is in two
you're so tired and i'm so lovely
you're so great and i'm so bored
what am i to do?
breakout a-town
breakout a-town
breakout a-town
breakout a-town
single handed manner you got the best of me
every word you say, i sit on the edge of my seat
you're so smart and i'm so dumb dumb
you're so great and i'm so bored
when is the next plane to rome?
breakout a-town
breakout a-town
breakout a-town
breakout a-town
when i make a decision
when i said an incision
when i cry an inner circle
when i said what i said, i said
i'm so big and you're so pretty
i'm so great and you're so bored
i'm so great and you're too shitty
when i said i want to know
breakout a-town
breakout a-town
breakout a-town
breakout a-town
i bet what i do when i tell
when i'm gonna see you
i wanna say how long
i wanna say how long
i wanna sink my teeth into it
i wanna say how long
i wanna say how long
i wanna say ahh
