

Julie Ruin, Tania

i don't know why
he didn't do it right
i don't know why
he didn't do it right
i don't know why
i don't know why
it might be something coming from the inside
tania
tania

it must be something from when i was young
it must be something i did wrong
to make it happen that way
to make it ?? like that
i didn't mean to, must have
i didn't mean to, must have
tania
tania

i can't go in there
no not again
too many memories
have to deal with
she holds my hand she is my
invisible friend
she holds my hand she is my
only fucking friend
