Juliet Shatkin, Look But Don't Touch

I know you're watchin' when you see me walkin' down the hall
Don't get to close to me 'cause baby boy I'll make you fall
The bell rings at a quarter to four
and everybody comes back for more
I know I'm drivin' you totally insane
but boys you gotta hear what I'm sayin'
CHORUS
You can look, but don't touch
You can look, but don't touch
You know your askin' for too much,
so you can look but boy you can't touch.
I see you starin' as I'm rollin' up and down the block
jaw droppin' in the floor 'cause baby
you're in shock.
I don't mind if you think I'm with you
but didn't your mama teach you not to be rude
I don't know exactly what you expect
if your not givin; up, no respect
You can look, but don't touch
You can look, but don't touch
You know your askin' for too much,
so you can look but boy you can't touch.
I know your talkin'& Im walkin' down the hallway
Just keep your comments to yourself and we'll be okay.
I'm not the kind of girl that needs your attention
certain thing are better off not mentioned.
do do-do-do
do do-do-do
do do-do-do
do do-do-do
do do-do-do
do do-do-do
do do-do-do
do do-do-do
(talking)
You can look, but don't touch
You can look, but don't touch
You know your askin' for too much,
so you can look but boy you can't touch.
You can look, but don't touch
You can look, but don't touch
You know your askin' for too much,
so you can look but boy you can't touch.
