

Juliette And The Licks, Born Bad

(Natural Born Killers soundtrack)

One way or the other
I'm a bad brother
Word to the mother f**ker

I'm a bad brother

Juliette Lewis:
Born bad, Born bad
Its such a sin
Born bad
Its such a sin
I guess I'm born naturally born bad

One way or the other
I'm a bad brother
Word to the mother f**ker

Don't wanna be born bad
Most fun I've never had
You know its such a sin
I'll never be the same again
I'm naturally born to be
Bad as a girl can be
You know its such a sin
I'll never be the same again
