(Natural Born Killers soundtrack)

One way or the other  
I'm a bad brother  
Word to the mother f\*\*ker

I'm a bad brother

Juliette Lewis:  
Born bad, Born bad  
Its such a sin  
Born bad  
Its such a sin  
I guess I'm born naturally born bad

One way or the other  
I'm a bad brother  
Word to the mother f\*\*ker

Don't wanna be born bad  
Most fun I've never had  
You know its such a sin  
I'll never be the same again  
I'm naturally born to be  
Bad as a girl can be  
You know its such a sin  
I'll never be the same again
