

# Juliette And The Licks, Pray For The Band Latoya

I'm acting cold. I feel scared and I'm all-alone  
I'm just wishing that you don't ever leave  
No matter how hard I make it seem  
Pray for the band Latoya  
It's not like it's killing me  
But all the hope, I've ever known comes down to realizing this dream

Oh yeah stay righteous  
You gotta adjust your condition  
Oh yeah stay righteous  
You gotta find a solution

20 years old I remember crawling on the bathroom floor  
White walls turning crimson  
I couldn't take it anymore  
Sweating kicking all alone  
I'm giving up everything I called my own  
Shame and pain released  
From all the sweetness of your relief

Oh yeah stay righteous  
You gotta adjust your condition  
Oh yeah stay righteous  
You gotta find a solution  
Move on stay righteous  
You gotta change the situation  
Oh Yeah stay righteous  
My power is purity

The wonder of your love  
The wonder of your love  
The wonder of God's love

Oh yeah stay righteous  
You gotta adjust your condition  
Oh yeah stay righteous  
You gotta find a solution  
Move on stay righteous  
You gotta change the situation  
Oh Yeah stay righteous  
My power is purity
