

Juliette And The Licks, So Amazing

Oh, You're so amazing when you're feeling strong
You're so amazing, yeah

I hear a lot of words being thrown around
Some of them are good some don't make a sound
Feed the fight, fight the right
Don't let it end
I'll make you feel so alive my friend
I'll take you high, I'll take you low

It's so amazing when you're feeling strong
It's so amazing, yeah
It's so amazing don't you get me wrong
It's so amazing, yeah

I'll take you high, I'll take you low
Right through the open door
What you need is something to feed
Don't tell me no
I'm gonna give you some good good lovin'
I'll make you feel so alive my friend

It's so amazing when you're feeling strong
It's so amazing, yeah
It's so amazing don't you get me wrong
It's so amazing, yeah

I hear a lot of words being thrown around
Some of them are good some don't make a sound
Feed the fight, fight the right
Don't you let it end
I'll make you feel so alive my friend
I'll take you high, I'll take you low

It's so amazing when you're feeling strong
