Hot kiss won't you tell me what you miss boy  
Blind love you got me spinning like a wind up toy  
Hot kiss won't you tell me what you miss boy  
Blind love you got me spinning like a wind up toy  
Oh father I pray to thee  
I got a man so blind I can't see  
I'm his favorite toy, like a beach ball  
Bang it up and down or throw it against the wall  
Oh tallulah he said, you're so dramatic  
What's all that shakin goin on in your attack  
Hot kiss won't you tell me what you miss boy  
Blind love you got me spinning like a wind up toy  
Hot kiss won't you tell me what you miss boy  
Blind love you got me spinning like a wind up toy  
You can't knock it or rock it or be bop it  
Its an itch you can't scratch nothing's gonna stop it  
I'm a cheetah so ravanous, waiting on my man and his one hot kiss  
I'm on the prowel, you smell the thunder  
Hour after hour, break this spell I'm under  
Hot kiss won't you tell me what you miss boy  
Blind love you got me spinning like a wind up toy  
Hot kiss won't you tell me what you miss boy  
Blind love you got me spinning like a wind up toy  
All my life I searched for you  
All my life I knew

I'm spinning around the room and I can't sleep
