

Julio Bashmore, Peppermint

What you gonna do
I'm hot for you
What you gonna do
I'm hot for you
What you gonna do
Hot, hot, hot
Hot for you
What you gonna do
I'm hot for you
What you gonna do
I'm hot for you
What you gonna do
Hot, hot, hot

You're hot for me tonight
It's gonna be alright
Come on and hold me tight
Hot, hot, hot

You're hot for me tonight
It's gonna be alright
Come on and hold me tight
Hot, hot, hot

Hot for you
What you gonna do
I'm hot for you
What you gonna do
I'm hot for you
What you gonna do
Hot, hot, hot
Hot for you
What you gonna do
I'm hot for you
What you gonna do
I'm hot for you
What you gonna do
Hot, hot, hot

You're hot for me tonight
It's gonna be alright
Come on and hold me tight
Hot, hot, hot

You're hot for me tonight
It's gonna be alright
Come on and hold me tight
Hot, hot, hot

Hot for you
I'm hot for you
I'm hot for you
Hot, hot, hot
Hot for you
What you gonna do
I'm hot for you
What you gonna do
I'm hot for you
What you gonna do
Hot, hot, hot

You're hot for me tonight
It's gonna be alright
Come on and hold me tight

Hot, hot, hot

You're hot for me tonight
It's gonna be alright
Come on and hold me tight
Hot, hot, hot
