

Julio Iglesias, Forever And Ever

Ever and ever, forever and ever
you'll be the one
that shines on me
like the morning sun.

Ever and ever, forever and ever
you'll be my spring,
my rainbows end
and the song I sing.

Take me from beyond imagination.
Be all my dream. Come true
my consolation.

Ever and ever, forever and ever
you'll be my dream,
my symphony,
my own lovers' theme.

Ever and ever, forever and ever
my destiny
will follow you
eternally.

Take me from beyond imagination.
Be all my dream. Come true
my consolation.

Ever and ever, forever and ever
you'll be the one
that shines on me
like the morning sun.

Ever and ever, forever and ever
my destiny
will follow you
eternally
