

July For Kings, Girlfriend

Room 421
an airport hotel
I know I should be sleeping
but it's too soon to tell
if I'll fly out tomorrow
if I'll see her tomorrow
I hope that I will.
no place like alone
and no sound like my own voice
fading into
this quiet december night
but I'm doing alright
I'll make a phone call or two

Could I get some room service please?
send the maid in to see
about a few things I need

"Do you think you could
bring me my girlfriend
and a bottle of wine
bring me a future
just make sure it's mine
will you open the window
but leave out the cold
could you make a phone call to Jesus
to clean up my soul";

Miles from my own bed
further from content
I guess I should get used to this
still rain on the runway
but I'm doing okay
I've got cigarettes to kiss

"Could I get some room service please?
I'm down on my knees
I'm only here for tonight
'cause they fucked up my flight
serenading the wall
and I thought I should call
you to ask for it all
for it all
for it all

Remember to

Bring me my girlfriend
and a bottle of wine
bring me a future
make sure it's mine
will you open the window
but leave out the cold
could you make a phone call to jesus
to clean up my soul.";

Dial seven for a savior
"is this soul keeping please...
could you put me through to jesus
I'll pay your long-distance fees";
he said "hello and god bless you.
there's a bible in the drawer.";
I said "that's wonderful sir. but I don't read it anymore";
I don't read it any more...

Bring me my girlfriend
and a bottle of wine
bring me a future
make sure it's mine
will you open the window
but leave out the cold
could you make a phone call to Jesus
to clean up my soul"
bring me my girlfriend
and a bottle of wine
bring me a future
just make sure it's mine
will you open the window
but leave out the cold
could you make a phone call to Jesus
to clean up my soul"
yeah
could you bring me my girlfriend
yeah
bring me a smile
