

Jumbo, Happy High

downtown, downtown she's outtasite
downtown, downtown it's where it's at
hi gasoline man, take me where you want
come and save me, come and save me please

downtown, downtown t.v.'s on without a sound
downtown, day & night freaks flyin in & out

something's happenin, something's goin on around

I'm high, goin down,
taking time to say goodbye to no one
I'm high, goin down,
takin time to say hello to anyone

downtown, downtown she's lost and found
day in & day out , sun is fadin out
hey gasoline man, take me where you are

come and save me, come and save me please

I'm high, goin down,
taking time to say goodbye to no one
I'm high, goin down,
takin time....
