

Jump 5, All I Want

Who rocks the house?
We say that Jump 5 rocks the house.
And when Jump 5 rocks the house
They rock it all the way down

How do I describe the feeling?
How do I begin to show?
How Your love is always changing
Every day within my soul?

You have opened up my heart
You have opened up my heart
Now Your love is rushing iiiiiiiinnnnnnnn

(chorus)
All I want is You
You're all I'll ever need
All I want to do
Is be with You forever

Who rocks the house?
We say that Jump 5 rocks the house.
And when Jump 5 rocks the house
They rock it all the way down

Mercy's flowing like a river
Love is falling like the rain
Pouring out Your grace upon me
I will never be the same

You have opened up my heart
You have opened up my heart
Now Your love is rushing iiiiiiiinnnnnnn

All I want is You
You're all I ever need
All I want to do
Is be with You forever

Who rocks the house?
We say that Jump 5 rocks the house.
And when Jump 5 rocks the house
They rock it all the way down

Say it again!

Who Rocks the house?
We say that Jump 5 rocks the house,
and when Jump 5 rocks the house
they rock it all the way down

1 more time!

Who Rocks the house?
We say that Jump 5 rocks the house,
and when Jump 5 rocks the house
they rock it all the way down
