

Jump 5, Freeze Frame(New Cd)

Freeze Frame

1-2-3-Woo!

I could see it was a rough cut tuesday
Slow motion weekdays stare me down
His perfect picture got me wound
Snap shot image froze without a sound

Thursday morning was a pop shot factor
His face still focused in my mind
Friday night we'll dance the spotlight line
Stop time heart for me if he's not mine

Freeze Frame, Freeze Frame, Freeze Frame, Freeze Frame

Freeze Frame, Freeze Frame, Freeze Frame, And I'll Freeze

Now im lookin at a flashback sunday
Zoom lens feelings just wont disappear
Closer for an image look so clear
His hold on me has got so strong
This freeze frame moment cant be wrong

Freeze Frame, Freeze Frame, Freeze Frame, Freeze Frame

Freeze Frame, Freeze Frame, Freeze Frame, And I'll Freeze

Oh Yeah, Snap shot image froze without a sound

Freeze Frame, Freeze Frame, Freeze Frame, Freeze Frame

Freeze Frame, Freeze Frame, Freeze Frame

Freeze Frame, Freeze Frame, Freeze Frame

And I'll Freeze
