

# Jump 5, It's A Beautiful World

It's about friends, it's about school  
It's about changes, the ones you never thought they'd put you through  
It's times like these that I got a touch of Irish in me, yeah  
And we can talk honesty, but honestly, I'm okay this way, yeah

Chorus: Hey, you just don't understand  
Sometimes my sky's a little gray  
And I know eventually, I'll be feeling all right again  
Life's been a friend to me  
You don't need to convince me  
It's a beautiful world  
I know it's a beautiful world

It's about faith, it's about heart  
It's about progress  
The things that try to tear the world apart  
My mind has to speak  
'Cause I feel what I feel much too deep  
But if it motivates me to do something good  
Then I'm okay this way

chorus

Sunshine beating down on my life  
Maybe that's a long time away  
But I guess I'll take it day by day  
You ask me when I'll get my smile back  
Well I'll tell you  
I can smile now, though I know I'm down  
And if you stay around it might just happen

Hey, you just don't understand  
Sometimes my sky's a little gray  
And I know eventually  
I'll be feeling all right again

It's about you, it's about me  
It's about trusting  
All the things we feel but never see  
I feel so much  
Sometimes I'm a little out of touch  
You can talk honesty  
But honestly  
I'm okay this way, yeah
