## Jump 5, Summer Song

Ohh-ohh Ohh-ohh Doo-Doo-yeah (oh yeah) A cool....cool summer song

Ohh-ohh Ohh-ohh

Sun is rising and the day is here We'll celebrate so don't be late, The time is near Grab your friends and like a rocket we're there To where the party charges up every year

Where we laugh forever Taste the perfect weather Everyone together Pack your bags for the memories we make So lets jet out today!

(CHORUS)
It's a cool break
You know I can't wait
Everyday's like a Sunday
And we're hearing the radio playing
Take the long way
Under the sun
To our cool summer song

(it's a cool break)

Cruising underneath a cloudless sky When we feel the sand, we know we've arrived Everyday and every wave's a sweet ride We will take out time until the tide says goodbye

We will all remember
These days are just like Heaven
In our minds we fly there
Pack your bags for
the memories we make
So lets jet out today!

## (CHORUS)

Cool summer song... Good times we love... Like Heaven forever! The purest perfection!

Cool Break... We're hearin the radio playin...

It's a cool break I can't wait! Ohh Ohh Take the long way To our cool summer song...

## (CHORUS)

It's a cool break... It's a cool break...
