

# Jump 5, Why Do I Do The Things I Do

Why do I do the things I do?  
Sometimes I feel like I am so insecure.  
If I could learn a thing or two from you,  
The popular opinion,  
I could ignore.

You are enough for me,  
I don't need anything but you, Yeah.  
You are enough for me,  
And I don't need anything,

(chorus)  
Cuz you have given me more that I could ask for;  
More that I could ever imagine.  
And you keep giving me love,  
You keep on lifting me up,  
It doesn't get any better.

Why do I do the things I do?  
Lord, every day is showing me something new.  
I need to slow down,  
Need to learn from you.  
Cuz you're the only one I should listen to.

You are enough for me,  
I don't need anything but you, Yeah.  
You are enough for me,  
I don't need anything,

(chorus)

Lord,  
You show me how  
To deal with life when it comes around.  
Even when I am down,  
I can count on you to help me stand my ground.

(chorus)
