

Jump, Close Your Eyes

Tell me you had bad dreams last night
'Cause you were rolling in your sleep
Tell me you hate those bright street lights
Sometimes the shadows give you the creeps

Please
Close your eyes
Please
If you dont want to say
Please
Close your eyes
Please
What keeps you awake

Tell me the air up here's too thin
You can't feel the wind when it moves
Tell me the stars are made of tin
And that they're bangin on the roof

Please
Close your eyes
Please
If you dont want to say
Please
Close your eyes
Please
What keeps you awake

The sun will rise
And keep your mind at ease
So close your eyes
Please
Close your eyes
Please
IF you dont want to say
Please
Close your eyes
Please What keeps you awake
